From: Applegate Regional Theatre

Mural Unveiling Ceremony – Applegate Regional Theatre, Inc.

Applegate Regional Theatre, Inc. cordially invites the public to attend the unveiling of the “Our History” Mural Project which was funded by the Oregon Arts Commission and the theater. The ceremony for the unveiling of the murals will be held on Sunday October 10, 2021, from 3 to 5pm at the theater – 87230 Central Rd. Eugene, near Veneta, at the corner of Central and Fleck Roads.

Internationally known artist Jerry Ross is the designing artist for this project. There are 14 mural panels mounted on the front of our theater building depicting various aspects of our history - from Native American times to the present. Community members, both youth and adult, worked to ‘colorize’ Mr. Ross’ creations.

Our campus partners Applegate Art Guild and Studio 7 will also be open, showing artwork in their galleries and offering demonstrations of local crafts. If you have questions, please contact us at art-inc@hotmail.com
